

Meeting the Swiss Ambassador in Washington

Business Development Lucerne's US Partners Michelle Abboud and Steven Lanier (AWS) met Swiss Ambassador Urs Ziswiler in December 2009 at his offices in Washington D.C. for the exchange of strategy of the canton of Lucerne. On Friday, January 15, 2010 Ambassador Ziswiler will meet Walter Stalder in Lucerne. We are wishing our Ambassador a safe trip to Switzerland and are looking forward to meet him personally.
